Discover
Serene Safari Bliss
@Kudu Lodge

Welcome

Kudu Lodge is situated near the small town of Karatu in Arusha Region, Tanzania. Karatu is the last town along the road to the most famous national parks of Northern Tanzania, the Ngorongoro Crater and Serengeti National Park.

The Lodge is strategically situated for visiting these wonderlands and for experiencing the safari adventure of a lifetime rich in big game and multitude of bird species and other beautiful wildlife, these parks are an absolute must.

Elevation of the Lodge is circa 1400m above sea level, making temperatures during the day not too high, and around 12 degrees in the evening. Temperatures gradually warm up through the months of May, June and July from the coolest month which is generally April.

Distance

25 kms to Lake Manyara N.P.

40 kms to Ngorongoro crater

195 kms from Serengeti N.P.

140 kms to Arusha
